Series 800

Suspension filing and wide drawers for organizable sliding door cabinets.

Suspension filing frames are available in black, powder-coated sheet steel with a rolling bearing-mounted telescopic guide with over-extension, as well as self-closing mechanism on both sides and damping. The suspension filing frame can bear a maximum load of 50 kg and 2 or 3 units can be combined on top of one another. They can be secured using a pull-out lock. The grid height for installation is 35 cm.

Wide drawers with function and design corresponding to those of the suspension filing capacity for the accommodation of further accessories such as partitions or dividers as well as adjustable suspension frames.
