

PRODUCT INFORMATION S800Z-Klein-2_TY_US - 26.01.2021 - www.vs-furniture.com

Series 800 Hardware II.

Iron pull-out with roller guides. The equipment comprises a tubular frame with 5 holders for connecting cables and a heat-resistant Etaplan surface.

Ironing-board and weaving-frame holders are made of melamine-resin-coated chipboard with glued-on plastic edges. They are secured in the holes.

The following material groups are available to choose from: Bases made of chipboard: L3.
